## Welcome to Teaching Pools

A place where teachers meet teaching assistants

To learn how to use teaching pools visit our [documentation](#) 

course-related tasks and ask teachers to specify anticipated hours in advance.

# STI Teaching Portal 2.0

These changes are meant to:

- promote a more equal distribution of TA hours for both students and lecturers
- ensure coherence between expectations of lecturers and TAs
- generate a more comprehensive overview of school-wide TA supply and demand
